

Large Item Trash Collection Zones for Madison County District 4

Improving services to the communities of Monrovia, Toney, Harvest, Bobo and the City of Triana

The number represents the week of the month for trash collection starting with the first full week of the month.

Dear Residents of Madison County District 4:

As we are all aware, our district is one of the fastest growing in Alabama. To better serve your needs, we are modifying our collection routes for large item trash. I appreciate your patience and input during this change and I feel this will make Monrovia, Harvest, Toney, Bobo and Triana cleaner places to live. It is truly an honor to serve you!

Dale W. Strong
Commissioner Madison County
